The background of the entire image is a close-up, vertical view of a wood grain. The grain runs diagonally from the top-left towards the bottom-right. The colors are various shades of brown, from light tan to dark chocolate and near-black tones, creating a textured, organic pattern.

A vibrant cosmic background featuring a deep blue and purple space filled with numerous stars, distant galaxies, and several bright streaks resembling meteors or comets. In the lower-left and lower-right corners, the curved horizons of greenish-blue planets are visible. The overall scene is a dynamic and colorful representation of outer space.
